

How to help stop fraud (*& potentially receive a reward*)

STEP 1

You become aware of fraud against the government.

STEP 2

You call our 24/7 free, confidential hotline at 1-888-292-8852

STEP 4

If you decide to move forward, we begin gathering evidence quickly and quietly.

STEP 3

We help you weigh the pros and cons of your options

STEP 5

We file the case confidentially, alert the government, and take steps to try to protect you from any retaliation.

STEP 6

The government investigates and decides whether or not to intervene.

STEP 8

The fraudsters may respond by fighting the case or settling it.

STEP 7

The fraudsters can be confronted with the evidence.

If the government intervenes, we continue to work the case with its help.

If it declines, together we will decide if it's in your best interests to pursue the case on our own.

STEP 9

If the case settles or we win in court, the government may reward you up to 30% of the recovery.

A \$22.5 million recovery netted one of our clients a **\$5.4 million** reward!*
